

ELSEVIER

# Journal of Archaeological Science

This certificate recognizes that the paper

*Deciphering ancient 'recipes' from charred cereal fragments: An integrated methodological approach using experimental, ethnographic and archaeological evidence* by S. M. Valamoti et al., Volume 128, 2021

was in the top 10 most downloaded in 2021, out of all the papers published in the journal's history

Emily Wilkes (Associate Publisher), Robin Torrence (Co-Editor in Chief), and Marcos Martín-Torres (Co-Editor in Chief)
